Tilsluttet: Nordiske Jernbaners Fritidsforbund (NJF) - Union Sportive Internationale des Cheminotes (U.S.I.C)

## The 35th FISAIC Bridge tournament Voss, Norway, June 11-14, 2018

NJIF (Norwegian Railways Sports Association) invites you to join the 35th FISAIC Bridge Tournament. The tournament will take place in Voss at Park Hotel Vossevangen (<http://parkvoss.no/en/>) June 11-14, 2018. A preliminary programme is attached.

Voss is a small town with 14.500 inhabitants in the western part of Norway. It is a popular tourist destination, with lots of outdoor activities in scenic surroundings. The best way to get there is with train, either the 1h15m ride from Bergen or the very nice 6h30m ride across the mountains from Oslo, both cities have international airports.

Estimated price per person:

€ 400 in double room for players/captain, 650 for non-players

€ 560 in single room for players/captain, 750 for non-players

The price includes bridge tournament, accommodation, meals and one excursion. This is planned as a combination of train (the Flåm-line), bus and boat to some of the spectacular fjords and mountains of western Norway.

We would appreciate that you indicate as soon as possible whether or not you wish to participate. Please also indicate the expected number of participants, bridge players as well as others.

Latest date for binding registration is December 1, 2017. A detailed programme will then be distributed to the confirmed participants. The preliminary programme is based on 8 participating teams and 7 24 board matches. The times may change based on number of teams and length of matches (decided by the organizing committee).

Preliminary and final registration should be sent by email to: **basen222@hotmail.com**

Any questions concerning the event may be adressed to: [nhirth@online.no](mailto:nhirth@online.no)  
[John.Vage@banenor.no](mailto:John.Vage@banenor.no)

Looking forward to receive your registration,

  
Chairman NJIF

  
Bridge section NJIF
